

Company Overview

Premiere International is owned and operated by Premiere Van Lines Inc., a Coast to Coast Van Lines specializing in The Art of Moving™. As with all of our divisions right across Canada, customer service is a National and Global priority for us. Our esteemed Memberships ensure that your prize possessions are handled by Qualified, Professional Movers only. We'll help you feel at home anywhere in the world.

Premiere Service Class

Relocating your home from one country to another is stressful enough without worrying about your personal household goods. Let us put your mind at ease by providing you with our Premiere Service Class.

The Art of Planning:

A dedicated Relocation Consultant will be happy to provide you with a no obligation in-home survey to assess your relocation requirements. Knowing exactly what your needs are upfront will help us provide you with the best relocation method at the best price.

The Art of Packing:

International relocations require specialized packing & loading. Our Qualified Packers are specifically trained for International packing, using the highest quality packing materials as well as offering custom crating for your highly valued items.

The Art of Administration:

We can professionally navigate through all of the necessary documents you require for whichever country that you are moving to. Some Countries are trickier than others and we will ensure that you have all appropriate documentation along the way.

The Art of Moving™:

From picking up your possessions and shipping it via air or water, our dedication to your Premiere Service Class continues with a hand-selected partner near your new home. Because of our esteemed Memberships worldwide, we continue to provide the highest level of service to bring your goods safely into your new home.
